

Bush Blitz Scavenger Hunt – National Science Week 2021

How to upload and submit your Scavenger Hunt findings!

1. Sign up for an iNaturalist Australia account at <https://inaturalist.ala.org.au/> (best done on a computer)
2. Join our **Backyard Species Discovery project**: Click on Community, then Projects, then search for Bush Blitz
 - a) Click Join this Project

b) Click Yes, I want to join

3. Download the iNaturalist app (the app is the simplest way to upload your findings)
4. Take a photo or record a sound of your scavenger hunt finding
5. Upload your finding:
 - a. On the app click on the green **+** button, or on a computer click on the green Upload button
 - b. Choose your image or sound recording from your files
 - c. Click on the Species Name and enter a name or wait for suggestions. Remember to only ID to a level you are confident of (e.g. if you don't know what kind of spider, just select 'Spiders'). Our scientists can help identify your finding.

- d. Add the Date and Location (all records must be found in the month of August 2021 to be eligible for the Scavenger Hunt prize).
- e. In Notes enter '#BB21' and the item on the scavenger hunt e.g. '#feathers'. This is important if you want to enter the competition!

- f. Click on the Projects dropdown and search for Backyard Species Discovery Project.

- g. Submit by clicking on the green button:

- 6. Once you have submitted at least 6 different records from our Scavenger Hunt checklist, send an email Bush Blitz at bushblitz@environment.gov.au with your iNaturalist username and a message to say you've completed the challenge. You will then be eligible for some great Bush Blitz prizes!
* Let us know if you are submitting a group application for the group prize packs.
